## Insurance and Risk Management for the Asset Manager

**Wednesday, May 14, 2008**

**10:00 am – 2:00 pm**

### Insurance and risk management for the Asset Manager

This half day seminar will present the property and liability risks specific to Asset Management and how insurance responds to these risks. You will learn how to navigate through an insurance policy form, review your vendor contracts and certificate forms, as well as how to conduct risk assessment inspections. You will also learn terminology specific to the insurance field. This seminar is ideal for Asset Managers, as well as ED's and CFO's interested in fostering a risk management culture within their organization.

Location:

LA Neighborhood Housing Services  
3926 Wilshire Blvd, 3<sup>rd</sup> Floor  
Los Angeles, CA 90010  
(between Western & Wiltern Pl.)
