MEMORANDUM FOR: HCD Partners

THROUGH: Lynn L. Jacobs
Director

FROM: Chris Westlake
Deputy Director 

SUBJECT: Pooled Money Investment Board Actions

HCD Customers:

On April 22, 2009, the Treasurer's Office completed a \$6.85 billion bond sale. From this bond sale, approximately \$539.5 million is being made available to the Department of Housing and Community Development (HCD) for Propositions 46 and 1C projects. The estimated proceeds are divided as follows:

- \$209 million for Proposition 1C – Taxable
- \$123.3 million for Proposition 1C – Tax-exempt
- \$162.9 million for Proposition 46 – Taxable
- \$44.3 million for Proposition 46 – Tax-exempt

Attached to this memo is a list of projects that anticipate needing funding in each of the four above classifications. Taxable projects are listed for the next 12 months; the list of tax-exempt projects extends 36 months. There is a larger demand for dollars in three of the classifications than there are funds available to be disbursed. These lists are not in order of priority. Expenditures will be made as projects meet their disbursement conditions, based on the availability of funds at the time.

As soon as we have additional information, we will be posting it on our website, www.hcd.ca.gov and sending e-mail blasts to our stakeholders. If you have additional questions, please contact me at 916-322-1560.

Thank you.
