COMMUNICATORS/MOBILIZATION COORDINATOR

SCANPH requests your help to build a stronger voice for nonprofit affordable home builders and advocates – by establishing a communications and mobilization coordinator (CMC) at your site.

We would like your community-based organization to select one of your staff members as your CMC – someone who you can dedicate to receiving Action Alerts and information on campaigns for affordable housing such as permanent source funding and mixed-income housing and acting on them.

We will provide your CM Coordinator with the materials, 2-hour introduction and training, and ongoing updated workshops and information – to become an effective leader at your organization to advance the policy priorities for affordable homes.

Please take a moment to fill-out this form and return it to us at SCANPH Attn: CMC, 3345 Wilshire Blvd. Suite 1005, Los Angeles, CA. 90010. Or fax to 213.480.1788. For information and questions, please contact Robert Dhondrup at SCANPH 213.480.1249.
