**The California Endowment
1000 North Alameda Street,
2nd Floor, Suite A
Los Angeles, CA 90012**

One Economy Corporation, the California Emerging Technology Fund, and SCANPH are pleased to announce the Bring IT Home California workshop. This half-day event is intended to give affordable housing developers a comprehensive introduction to the provision of affordable Internet access as a service amenity.

Working Agenda:

- I. Introductory session for all attendees.
- II. Attendees will choose one of three thematic breakout sessions.
 - Funding Sources for Broadband Provision, including the stimulus package
 - The Nuts and Bolts of Broadband Deployment
 - Public Policy and Broadband Provision
- III. Next Steps and Closing Remarks

This workshop is ideal for Development Directors, Project Managers, Executive Directors, and all those interested in learning how to provide broadband access for low-income communities.
